EUROPEAN SPECIALIST!

DR. C. SCHULTZ,

Over the Red Boot and Shoe Store, No. 36 North Main Street, Butte, Between Park and Broadway.

CATARH, throat, lung and all blood diseases, which are speedily and permanently cured by my new system of "inhalation" of compound medicated vapors.

As catarrh is the forerunner of deafness and consumption, each should be promptly attended to before it is too late.

Causes of nervous debility, arising from youthful indiscretion, excesses in mature years and other causes producing nervousness, such as self-abuse, seminal weakness, night losses, sexual debility, loss of sexual power, blood disorders and ambition, aversion to society, melancholy, indigestion, constipation, blotches, impediments to marriage, etc., leading to softening of the brain and insanity—all curable causes warranted to cure in a very short time. Recent cases in a few days. Charges low, especially to the poor.

No matter what you have taken or who has failed to cure you. Do not trust your case to any specialist who has not made a personal examination of your human system, otherwise you will be disappointed by failure of treatment, if it does not make you worse.

DR. SCHULTZ warrants a cure of every case he undertakes. His wonderful new remedy is the only certain and permanent cure in such diseases. Remember, syphilis and blood diseases cured without the use of mercury, and vital power restored by his new remedy.

FEMALE WEAKNESSES—Symptoms of which are pains in the back and pains with burning sensation on top of the head, with tenuous discharge and a general feeling of languor, nervousness and depression, speedily cured by Dr. Schult's new remedy.

READ THIS TWICE.

Fully one-eighth of the sum total of human suffering is caused by venereal excesses, diseases and their results.

The wonderful New Remedy is the best and surest of all medicines for restoring strength, ambition and vigor to those who suffer from all private, chronic and nervous diseases, such as blood and skin diseases, syphilis, scrofulous, favus, erysipelas, salt rheum, pemphigus, porriasis, and all impurities of the blood causing eruptions, pimples, blotches, falling out of the hair, etc.

PRIVATE DISEASES.

Gonorrhea, gleet, stricture, kidney and bladder troubles, cystitis, and all sad effects of youthful follies and excesses, which so unfit men for business or pleasure.

The wonderful success of this new remedy depends upon the fact that it supplies an element which is found wanting in the blood of weak men.
